

PURONICS® Defender™ CL

The Next Generation of Ionics® Solutions

Do you have
problem water?
On a budget?
Your defense is clear.

The Puronics® Defender™ CL whole-house water conditioner provides superior quality water to budget minded families. The computerized control valve monitors your water usage to maintain optimal effectiveness of the system ensuring you always have the highest quality water at the lowest cost. Your family will enjoy the benefits of our advanced SilverShield® Protection conditioned water in a durable cost-effective package.

Hair and skin are soft and silky

Food tastes better

Dishes are cleaner

Better tasting beverages

PURONICS® Defender™ CL

The Next Generation of Ionics® Solutions

Computerized Control For Maximum Efficiency

- ▶ Patented Solid State Microprocessor controls operation of system
- ▶ Measures water usage to backwash and recharge when necessary
- ▶ Creates auto reserve so you never run out of quality water
- ▶ Double backwash ensures a clean filter media bed
- ▶ Ensures consistent superior quality water

NASA Technology at work in your home

- ▶ MicroSilver Bacteriostasis™ Technology is based on NASA silver ion technology developed to purify water on the Space Shuttle Orbiters.
- ▶ SilverShield® HYgene® filter media - incorporates MicroSilver Bacteriostasis™ Technology into activated carbon to inhibit bacteria growth within the system's filter media while reducing objectionable tastes and odors.

Multi-Layered Tank

- ▶ Inner layer of Polyethylene
- ▶ Durable outer fiberglass layer

MicroSilver Bacteriostasis™ Technology

- ▶ Microscopic particles of silver are embedded into SilverShield® HYgene® media to inhibit bacteria growth within the filter media bed

Refiner

- ▶ SilverShield® HYgene® media reduces objectionable chlorine and chloramine tastes and odors

Conditioner

- ▶ High-Capacity S-759 monospheric resin has uniform sized beads for higher flow rates and efficiencies
- ▶ Reduces iron, turbidity and hardness

Clarifier

- ▶ Silica gravel polishes water to a sparkling clarity

WQA tested and certified according to NSF/ANSI 44 for reduction of hardness minerals and NSF/ANSI 372 for low lead compliance.

This system is designed for use with municipal water or private well water that has been chlorinated. Any non-chlorinated private well application should use the well version of this system without HYgene®.

Your Authorized Independent Dealer:

Contaminants or other substances which can be removed by the PuroNics® Defender™ CL system are not necessarily in your water. Operational maintenance and replacement requirements are essential for the product to perform as advertised. Actual savings achieved are dependent on your particular spending habits and usage levels.
